

Fighter Combat International Partners with Arizona Golf Resort

Got What it Takes to be a “Top Gun ”? No Flying Experience Required **NOT a Simulation...You Fly!**

We are full-time aviation experts dedicated to providing the most exciting aerial adventures available in the industry. Our pilots, aircraft and professional service are second-to-none... all instructors are real fighter pilots and certified aerobatic instructors with thousands of hours of flight time. Whether you're challenging yourself during our Flight of Your Life program or engaged in a full-up Air Combat Mission, your safety and enjoyment combined with exceptional customer service are always our prime objectives. This will be an outing you won't soon forget! You'll experience these thrilling adventures in the Extra 300L... a top-of-the-line, two-seat, aerobatic aircraft. Stressed to +/-10G's, makes it the most maneuverable commercial dogfighting machine anywhere! This aircraft is modified with a projected weapons display, gun sight, smoke generators and quadruple-view audio/video cameras to record your mission to show family and friends.

Fighter Combat International offers 5 Options:

Option 1: Flight of Your Life Super Ride 2 nights and 1 flight

- Welcome and Pre-Flight Briefing
- Ultimate aerobatic experience – up to 45 minutes of actual flight time
- Your dedicated instructor flies you to the pinnacle of aviation adventure, demonstrating and teaching precise aerobatic maneuvers and customized sequences.
- Run through loops, rolls, tail slides, snap rolls, tumbles, torque rolls, lomcevaks, extreme gyroscopic variations, hammerheads, inverted flight, advanced spins or anything else you've ever wanted to do in an aircraft.
- Guest flies up to 75% of flight profile
- Return to base for high speed pass above the runway
- Video Debrief (video available for purchase)
- Hero Photo and Certificate Package upon conclusion

Option 2: Air Combat Missions 2 nights and 1 flight
